# Instructions for Late Add Petition

**This form applies after the Add/Drop period.** Prior to the end of the Add/Drop period, advisors and students may make changes to schedules.

**After the Add/Drop period** (days 1-5 of a fall/spring term):

- The *Late Add Petition* is used only for adding classes.
- All removals from a class must be done on a *Withdrawal from Class* form, regardless if the student is adding another class.
- Any time a student is “unregistering” for a course **after the add/drop period** a *Withdrawal from Class* form must be used.
- When adding and dropping a class (after the add/drop period), two forms must be submitted. Because these forms require separate actions, they do not need to be submitted together:
  1. a *Withdrawal from Class* form
  2. a *Late Add Petition*
- **To request a refund** when withdrawing from a course, a *Tuition/Fee Waiver* form must be approved.
- **To add a course** (e.g. a class a student is attending but not registered for), a *Late Add Petition* is required.
- **To change sections** of the same course, the teacher who is agreeing to accept the student into his/her course may email the Registrar’s Office, and the change will be made using the email as documentation (registrar@acu.edu).

**Email completed form to: registrar@acu.edu.**
