

Petition to Take a Course

Credit/No-Credit

I understand that:

- I must decide on the credit/no-credit option during the **first two weeks** of a long term (first week of an accelerated course or the first two days of a summer term);
- I cannot rescind this decision after that deadline;
- I may take no more than 12 hours over the course of my degree with the credit/no-credit option;
- I may use this option **only for courses that are not required in the university core, my major or minor, and they must be outside of my major field of study** (free electives only);
- I must have at least **sophomore classification** (30 graded hours) and
- I must have a minimum **overall grade point of 2.0**.
- I may not repeat a course on a credit/no credit basis in which I've received a letter grade.
